NAHB
NATIONAL ASSOCIATION
OF HOME BUILDERS

Professional Builder magazine and National Association of Home Builders are proud to bring you the Best in American Living Awards. Celebrating more than 20 years of design, creativity, passion and vision in the home building industry. Winners exemplify the best home designs available in markets throughout the country. BALA is organized in 41 categories arranging from single family, custom, attached, rental, community, smart growth as well as interior design categories.

The Best in American Living Award design competition is open to builder, architects, designers, developers, land planners and interior designers nationwide.

Entries are judged by a panel of judges, design professionals, marketing experts, land planners and editors representing all regions.

BALA thanks the judges for their time and commitment to the program.
